AT YOUR LOCAL DEALER

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewer's Association, was organized in 1876 — the same year

IN MICHIGAN, the new mines in the southwest corner of the state were supplying the Union with desperately needed iron ore. And, all over Michigan, beer was supplying folks with sparkling refreshment.

For then as now, beer was the traditional beverage of moderation — light, sparkling refreshment that adds a touch of hospitality to any occasion. Folks in Michigan have always enjoyed the good fellowship that goes with every glass.

TODAY, in its Centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

The Sickness of Socialized Medicine

Writing in The Freeman magazine, John Chamberlain called "The Sickness of Socialized Medicine."

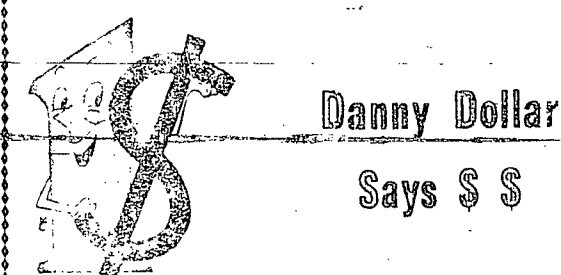

His article is based on a book by Helmut Schoeck, a professor of sociology at Emory University in Georgia. Dr. Schoeck examined and reported on the experience with government-provided medical care in a lengthy list of nations. Mr. Chamberlain writes: "The testimony of Dr. Schoeck's many experts is that it is the general tendency of 'government medicine' to inflate the cost of medical service without adding anything of value to the general level of health. It may seem like the humanitarian thing to do to make medical service a 'free good' like parks or streets or the water from the public drinking fountain at the corner. But actually everyone loses under most public health programs."

"The reason, if we look at the experience of England, France, Germany, Sweden, Austria, and New Zealand, is that people do not value what they presume they are getting for nothing. What results from public medicine is a big over-consumption of trivialities, with doctors at their wit's end to find time to spend on serious matters."

In his extended review, Mr. Chamberlain cites chapter and verse from the countries concerned to support this conclusion. What it amounts to is that when people think they have something coming to them "for nothing" they go after it, aside from any question of real need. So doctors are swamped with patients with imaginary ailments. There is not enough time or energy left to care properly for those who are really ill. And the public health becomes the sufferer.

would have to destroy 3-5 of our steel production, 2-3 of our oil production capacity, 95% of our output of electric motors. We would have to abandon 2-3 of our hydroelectric power, cut out 90% of our natural gas production, rip up 14 miles out of every 15 miles of our paved highways. We would have to tear out 2-3 of our railway tracks, sink 8 out of every 9 ocean-going ships, scrap 19 of every 20 cars and trucks rolling on our streets and highways, and shrink our civilian air fleet to a shadow of its present size. We would cut our standard of living by 75%, destroy 40 million television sets, tear out 9 of every 10 telephones, 7 out of every 10 houses, and put more than half of all of our workers presently in industry back on the farms. We would then be equal with Russia.

Russia has 38 million workers on farms and 36 million in industry. More than 50% on farms — yet there is a food shortage in Russia.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

November 30, 1939

Work on the new electric plant building is going along nicely, according to Walter Wright, the contractor. The outside brick walls are practically finished and just now workmen are busy laying the inside tile walls. The huge I beams are now on hand and being placed into position at the top of the walls, ready to receive the roofing materials. It looks as the structure will be under roof in a very few days. In a short time the big Diesel engines will be arriving. The distribution system is fast assuming completion. It looks favorable that service will begin within the next ninety days.

"Bedside Lines," a booklet written by Betty Henley with verses by Mollie Michelson, is now in circulation. This is a delightful edition and is meeting with popular favor. Many deserved comments have been offered by people who should know its worth and interest.

The Kiwanis club had the pleasure of hearing Grayling High school glee club and sextette at their meeting Wednesday. There was a good attendance present to enjoy this treat. President Charles E. Moore hurried in from the dewy heather of the hills where he had been in pursuit of a place to hang his deer tag, to preside at the meeting.

Mr. and Mrs. William Strope attended the wedding of their daughter in Detroit Wednesday. Mr. and Mrs. Russell Robertson

visited the latter's mother in Adams, Wis., from Thursday to Tuesday.

Mr. and Mrs. Ben Proper returned to their home in Flint Monday after spending the hunting season at the home of Mrs. Proper's son, Ernest-Hissonette and family.

Mr. and Mrs. Clyde Barnes of Jackson visited at the J. L. Martins home Monday and Tuesday, enroute to their home from Watcrsmect, where they have been hunting. Both filled their licenses while there.

Mr. and Mrs. William Randolph left Tuesday to spend a few days visiting their daughter and husband, Mr. and Mrs. Stanley Stephan, in Sault Ste. Marie, where Mr. Stephan has purchased a drug store.

Laverne Wetter of Geneva, Ill., is visiting at the home of his uncle and aunt, Mr. and Mrs. Algot Johnson.

Mrs. Clair Smith left Wednesday to spend a few days visiting at the home of her sister, Mrs. Stuart Jones and family, in Lansing. Carl Smith of Lansing spent the Thanksgiving weekend with his brother Clair Smith and family.

He enjoyed hunting while here.

Mr. and Mrs. Marion Burch of Bay City and Mr. and Mrs. Ralph Oaks of Clio were guests of Mr. and Mrs. S. D. Palmer over the weekend.

Mr. and Mrs. Claude Parker and daughters Margaret and Glenna of Lansing spent the weekend visiting the former's mother, Mrs. Melvin Enyart.

Mr. and Mrs. Robert Coulter (Eva Swanson) of Grand Rapids spent Thanksgiving visiting the latter's sisters, Mrs. Alex Atkinson and Mrs. Clarence Gross and families.

Misses Evelyn Skingley of Detroit and Marion Skingley of Lewis-Chapin Business School of Traverse City spent the weekend visiting their parents, Mr. and George Skingley.

Mrs. Henry Libeke and son Frederick have returned to their home in Lansing after spending the past two weeks visiting her parents, Mr. and Mrs. S. D. Dunham. Mr. Libeke came to spend the weekend and accompany them home, Sunday.

Chester Smith of Port Huron spent Thanksgiving weekend visiting at the home of his son, Roy Smith and family. He had as his guest Milo Converse, of Port Huron who also visited his sister, Miss Converse, who is in training at Mercy Hospital.

Mr. and Mrs. Ralph Warner and children of Black River spent the weekend visiting Mr. and Mrs. Edward Mayotte and Benny Jorgenson. On Sunday Mrs. George Sawyer and two children of Detroit called at the Mayotte home.

Alfred Hanson reports the sale of a new 1940 Chevrolet deluxe to George Seeley, and a 1940 special deluxe Chevrolet coupe to Joe Vorty of Higgins.

The new pump at the Fish Hatchery was put into operation this week. This is for pumping water onto the fish eggs in the troughs in the hatchery building. The water in the ponds is now between 32 and 36 degrees.

A daughter was born to Mr. and Mrs. Norman Johnston of Beaver Creek on November 19th.

George Schaible, Jr., discovered several days ago that his father's axe was very sharp. He had gone into the woods with his father near their cabin in Beaver Creek and while his father was in quest of his buck he was trying out the axe cutting down some twigs. It slipped and cut an ugly gash in the big toe of his left foot right through his new hi-top. An artery was severed and he was hurried to the cabin where Dr. Buck of Detroit, a member of the club, dressed the wound. He was away from school a week because of the injury.

Twelve degrees above zero is what the thermometer at the Grayling Fish Hatchery read Sunday morning at 6 o'clock. It was the coldest morning so far this fall. We were threatened with a lot during October of snow and cold, but November has been a beautiful month all through. No snow and there has been a bright sun most every day, and the last two weeks have been especially sunny. Tuesday the temperature was 22 above, and Wednesday 26 above.

Miss Elsie Erickson is assisting

in the Sorenson Bros. store during the holiday rush. She commenced her duties Monday.

Mr. and Mrs. Isaac LaMotte were given a jolly surprise Monday evening when about fifty relatives and friends gathered at their home to assist the happy young couple to celebrate their first wedding anniversary. A sumptuous supper was served and

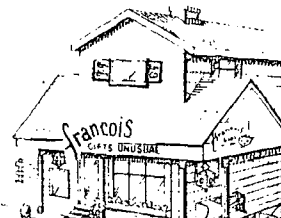

all present had an enjoyable time. Portage Lodge K. of P. enjoyed Monday evening a fine venison banquet and smoker at their lodge rooms. For the past four years Claude Gilson has so generously provided the lodge with the venison for a banquet. This time it was from a fine 240 pound buck which he shot last week.

Arthur Maxwell, formerly em-

played at the Petersen grocery, has accepted a similar position at the R. D. Connine grocery. Thursday evening the Queen's Social Club enjoyed a very pleasant evening at the home of Miss Nellie Shanahan, when Miss Lucille McPhee, Catherine Brady and Shanahan were hostesses in a progressive peanut contest. Ford ideas so contagious
they started a new trend in cars!

If you think today's cars have a lot in common, credit the Ford sketches above. For these ideas sparked a revolution in car design that's reflected wherever you look on the American road.

Ford ideas have a habit of being exciting—practical, too. Consider the innovations found only in our '63s. There is Ford Galaxie's smooth new velvet ride. It cost Ford \$10 million to bring it to you, but costs you not a penny extra to enjoy. There is

Ford's full twice-a-year or 6,000-mile maintenance* schedule that cuts service worry and expense to a minimum. There's a new manual transmission that lets you shift down from second to first without coming to a stop. And for '63, there's the biggest choice of models ever offered—44 in all!

Only Ford offers all these advantages now. Other cars will eventually catch up—but if you can't wait, here's a tip. See your Ford Dealer today!

Letters To The Editor
 November 23-1962
 Mr. W. Strong, Publisher
 Dear Mr. Strong:
 December 12, the Inter-Senate Commission will hold hearings in the Federal building to take testimony in support of the proposed merger of the New York and Pennsylvania railroads.
 It is a move to merge the two largest railroads in the country under one head. It is like a good idea, as economic advantages are gained in the form of being able to run the lines more efficiently. This is a little further, but it is a step in the right direction. I am sure that the New York and Pennsylvania railroads will be able to handle the merger.

Crawford County Avalanche
Editor
Mr. Editor:
I am writing to you regarding the proposed merger of the New York Central and the Erie Railroad. I am a resident of Crawford County and I am concerned about the effect this merger will have on the local economy and the service to the area.

The New York Central and the Erie Railroad have been serving the area for many years. They have provided a reliable and efficient service to the area. I am concerned that the proposed merger will result in a loss of service to the area.

I am writing to you to express my concern and to request that you take action to protect the service to the area.

Mrs. Suzie Bouslay and Mrs. Betty LaChapelle attended the funeral of the late's brother, Arthur Edward Bouslay, 65, in Wyandotte on November 23rd. He passed away on November 20th. The ladies drove down from here on Thursday.

Alfred, Karen, Henry and Wendy Feldhauser of Alma spent from Thursday to Sunday visiting their grandparents, the A. J. Sorensons. Mrs. Sorenson, Mrs. Derek McEvers and Marcia Sorenson drove them home Sunday.

Mr. and Mrs. Robert of Bridgeport stopped in to visit his sister-in-law Mrs. A. J. Sorenson and family while hunting in the Frederic area.

Mr. and Mrs. Hazen Hatfield, Warren, Terry, Barry, Brad and Carol of Kawkawlin spent from Wednesday to Sunday visiting her mother, Mrs. Lloyd Berry Sr., and his parents, the Harold Hatfields. Mr. Hazen doing some hunting.

Mr. and Mrs. Ulfarley Russell took their son Gary back to CMU, Mt. Pleasant, Sunday, after enjoying his company during the four-day holiday.

Mr. and Mrs. Tom Lamm of Clarkston spent the Thanksgiving holidays with their parents, the Fred Lamm and the Clyde Smiths. Buy Christmas cakes, fancy cookies and gift items at Silver Tea, Thursday, Dec. 6th.

Mr. and Mrs. Lester Trenary, and her mother, Mrs. Ira Springstead, who has been with them for a week, left Tuesday to spend the winter at Central Lake with Mrs. Springstead.

Mr. and Mrs. Robert Knutilla and children Margaret, Susan and Tommy of Escanaba spent from Wednesday to Monday with her parents, Mr. and Mrs. Harry Souders. Mrs. Souders shot a nice 7-point buck on Sunday.

Miss Kittie Funck left Monday to transfer from Grayling High to Faith Bible Academy, Roach, Missouri. Kittie and her mother, Mrs. Robert Funck, returned home Sunday after spending a week in Royal Oak with Mrs. Funck's sister and family, Mr. and Mrs. R. E. Clingan.

William Moshier of Michigan Tech at Houghton visited his parents, the Russell Moshiers, from Tuesday to Sunday. Thanksgiving day was spent with Mr. Moshier's mother, Mrs. Fattie Moshier.

Still time to have that diamond remounted for Christmas at Davis Jewelry.

Gary Pettyjohn was home for the Thanksgiving holidays, accompanying Bill Moshier down from Michigan Tech. Gary, Bill and Lacey Stephan all returned to school together Sunday.

Mr. and Mrs. Earl Isenbauer, Sue and Gary were in Atlanta Sunday, visiting his cousin, Mr. and Mrs. Ray Hoffmann and family.

Mr. and Mrs. Joseph Kasper spent a few days in Flint visiting their son John Kasper and family. They also visited their daughter, Mr. and Mrs. Alfred Wilson and family.

I think that this request should be explored by the business people of Crawford County and all other industries north of Bay City. Their welfare and the needs of their livelihood stand to be curtailed if this merger goes through, and the New York Central later curtail their service north of Bay City.

I will appreciate very much your consideration of this letter and my ideas and any assistance you can render towards publicizing the contents to various groups in your territory.

Sincerely yours,
Ray A. Beson

The marriage of Miss Mary Ethel Puffer, daughter of Mr. and Mrs. Jerome B. King of Newark, N.J., to Mr. David Stewart Wiley, son of Mr. and Mrs. Charles L. Wiley of Troy, Ohio, took place Saturday, November 24, 1962, at 12:30 in the Princeton University Chapel, Princeton, N.J.

The Rev. R. C. Puffer, officiating, presided at the ceremony before some three hundred guests. Two altar arrangements of gladioli and chrysanthemums decorated the church. A white aisle runner seventy yards long was spread for the bride's progress. Music was by Dr. Carl Weinrich, Princeton University organist, who played selections from Bach, Purcell and Brahms.

Given in marriage by her father, the bride wore a gown of white duette satin with bateau neckline cut on a modified bell silhouette, the bodice and skirt front appliqued with velvet flowers and sprays of seed pearl embroidery. With it she wore an heirloom mantilla veil of Belgian lace. Her flowers were white orchids and stephanotis.

The bride's attendants were Miss Ann Louise Kahn of Philadelphia, Pennsylvania, maid of honor, Miss Gail Jean Woodhouse, cousin of the bride, of Dowagiac, Michigan, Miss Kathy Patrick of Maplewood, New Jersey, and Miss Barbara Crosby of Riverdale, the Bronx, New York, bridesmaids. Miss Kahn and Miss Crosby were classmates of the bride at Oberlin College. Miss Patrick and Miss Woodhouse attend Western Michigan University. All were dressed alike in Kelly green brocade dresses fashioned with bateau necklines and in a modified bell silhouette. They carried bouquets of white spider mums and lemon leaves.

Mr. Charles L. Wiley, brother of the bridegroom, of Purdue University, West Lafayette, Indiana, was best man. Ushers were Nick Cozzarelli of Jersey City, Har-

vard graduates school, C. A. Quarles of Houston, Texas, of Princeton graduate school, Marty Silverstein of Philadelphia, Princeton graduate school and Jerome B. King, Jr. brother of the bride.

To greet her guests, Mrs. King wore a dress of royal blue French and silk lace with matching accessories. Her flowers were pale green cymbidium orchids. Mrs. Wiley wore a beige brocade dress with matching accessories. Her flowers were pale yellow cymbidium orchids.

A luncheon reception at two o'clock for one hundred fifty guests was held at Madison Hall on the Princeton University campus following the wedding. Punch and hors d'oeuvres were served to the guests in the lounge prior to the luncheon. Chamber and dancing were provided by Mr. Tobias' trio. The luncheon was catered by the Princeton University Catering Service, with flowers by Gene Seal florists. At the reception, the bride's table was decorated with a white floral arrangement and green ivy. The family tables were decorated with yellow and white floral arrangements. Champagne toasts were given by the bride's father, Mr. Jerome King, the best man, Mr. Charles Wiley, and by the head usher, Mr. Nick Cozzarelli.

There was a family dinner for relatives at the King home in the evening.

Mr. and Mrs. Wiley will be making their home at 3106 Lincoln Highway, Franklin Park, New Jersey. The bride has attended Oberlin College and the Oberlin Conservatory of Music, and now attends Washington Square University of New York City. She is active in various musical, dramatic and literary organizations, and is studying piano with Mrs. Lillian Freundlich of New York City. Her husband is a graduate of Massachusetts Institute of Technology and is presently working for his Ph.D. in physics at Princeton University, where he is an NSF Cooperative Fellow. He is a member of Sigma Xi and is active in various musical, literary and athletic organizations.

STORK SHOWER HELD

The Hatfield ladies, Irene, Louise, Marie and Jackie were hostesses at a lovely shower for Mrs. Roger Hatfield, held at the American Legion Hall Monday night, November 19th. Many unusual games were played with prizes going to Cheryl Pond, Mrs. Richard Merrill, and Carol Prange. Mrs. Leon D'Amour won the door prize.

The gift table was decorated with pink and blue bows on white cloth, and in one corner streamers formed a backdrop for an infant doll. The guest of honor was thrilled with each of the many beautiful gifts she received. The lunch tables were centered with evergreen, Japanese flowers and ceramic turkeys. Jello, cake, coffee and punch were served from a table centered with a horde of plenty set in a harvest scene. A cake decorated with roses and an infant floating on a rose in the center with an array of names all around it was made by Marie Hatfield. This formed the centerpiece for the punch table. A most enjoyable time was had by all who attended.

The Rev. Fr. Joseph Sakowski performed the marriage before members of the immediate families. Attending the couple were the bride's sister and brother, Janet Southwell and Mr. Edward Southwell.

Deer season brought Mr. Harold Longdyke and son-in-law Tom. Their trip was fruitless, however, Mr. L. thoroughly enjoyed the change of scenery and confinement of business to the heater skelter cabin-in-the-woods life.
